TECHNICAL AEROSOLS

PROFESSIONAL QUALITY FOR HOME AND LEISURE

PRF is Taerosol's own range of products that many industrial professionals consider to be the absolute best among technical aerosols. PRF products and their superior quality have now been made available to consumers as the EASY by PRF brand. The new EASY by PRF products are designed for home and leisure and combine ease of use with professional effectiveness. The EASY by PRF product range includes products for bike care, home, leisure, and car maintenance.

The properties, manufacturing methods and product development of the EASY by PRF products are the result of over 50 years of expertise at Taerosol. Our success also stems from our ability to continuously develop and to learn new things. Det Norske Veritas has awarded us ISO 9001 and ISO 14001 certificates in recognition of the high quality of our operations. In addition, we have also been awarded the ISO 22716, or Good Manufacturing Practice, certificate generally applicable in cosmetics manufacturing.

All EASY by PRF products are manufactured at our factory in Kangasala in the Pirkanmaa region of Finland, and we have been awarded the right to use the Key Flag symbol. Domestic production is important to us, and we are proud of our social responsibility and our role in employing people in industry in Finland.
