*Ecological expertise*

# Ozone safe aerosols from Finland

Taerosol Oy's PRF product range offers a wide range of products to meet customers' needs relating to industry, electronics and hygiene. Products combine extremely high quality with user safety and environmental friendliness. The product range features almost one hundred products for various purposes. We are also continually developing new products in collaboration with our customers.

1968

Taerosol is established.

1970

PRF is launched.

1992

Exporting begins.

2000

Industrial line is launched.

2008

Quality and environmental certificates.

2017

GMP certified, only two in the Nordic countries.

2020

Manufacturing of cosmetic products begins.

## PRF is a mark of quality

PRF is Taerosol's own brand, and professional users consider it to be a leading technical aerosol product. Over the last 50 years, we have fine-tuned the product features, manufacturing process, and product development. On a practical level, our extensive experience can be seen in the high-quality product range and efficiency in the production chain: fast deliveries guarantee good product availability for end customers.

## Proud to be Finnish

All PRF aerosol products bear the Key Flag symbol. In addition to our own staff, we also employ lots of Finnish actors, from label suppliers to lorry drivers. Studies show that Finns value the domesticity of products and services, and we are proud to keep our industry in Finland.

## Certified excellence

Taerosol has been awarded the demanding ISO-9001 quality and ISO-14001 environmental management certificates, which guarantee reliable, transparent, and traceable operations from start to finish. Our company also holds an ISO 22716, or GMP, certificate.

# Industrial line

## Industrial line

A product line developed for high requirements of industrial professionals and maintenance technicians

### Anti Spatter

**Welding spray**  
Prevents welding spatter from sticking to work piece and welding nozzle.

**Applications:** Welding nozzles, work pieces, metal surfaces, etc.

No: PIANI52  
Net. 400 ml | 12 pcs / box.

PROTECTIVE AGENT

### Belt Spray

**Friction Spray**  
Effective anti-slip agent for V-belts and other slippery belts and surfaces.

**Applications:** Rubber straps, leather belts, textile belts, etc.

No: PIBELT52  
Net. 400 ml | 12 pcs / box.

### Alubright

**Light bright galvanizing agent**  
Quick drying aluminum color zinc coating that gives excellent corrosion protection to ferrous metals.

**Applications:** Ferrous metals and rust protection of metal structures, screws and nuts stocks, metal alloys and protection of weld seams.

No: PIALUB52  
Net. 400 ml | 12 pcs / box.

PROTECTIVE AGENT

### Bajol

**Adhesive vaseline spray**  
Synthetic lubricant with excellent adhesive ability for challenging conditions.

**Applications:** Chains, hinges, joints, wires, gears, bearings, slide rails, locks, vibration dampers items etc.

No: PIBAJOL52  
Net. 400 ml | 12 pcs / box.

LUBRICANT

### Butangas

**Refill cylinder for soldering equipment and gas pistols**

**Applications:** Gas pistols, thermal and soldering pens, lighters.

No: PIBUTA40  
Net. 300 ml | 12 pcs / box.

### Cleaner A1

**Cleaning- and degreasing agent**

**Applications:** Switchgears, machines, equipment, motors, metal, glass and ceramic surfaces, etc.

No: PICLEH152  
Net. 400 ml | 12 pcs / box.

CLEANING AGENT

### Degreaser

**Cleaning and degreasing agent**

Effective, fast evaporating cleaning agent that leaves a greaseless, clean and dry surface.

**Applications:** Clutches, brake blocks, engines and machinery. Metal, glass and ceramic surfaces. Applicable for most rubber, plastic and painted surfaces.

No: PIDEGR52  
Net. 400 ml | pcs / box.

CLEANING AGENT

### Fast Cleaner

**Effective cleaning agent**

Leaves a greaseless, clean and dry surface. Removes oil, grease, brake fluid and grime. Excellent degreaser before painting or gluing. Ideal for removing protective grease.

**Applications:** Switches, brake parts, engines, and machinery. Metal and glass surfaces.

No: PIFAST65  
Net. 500 ml | 12 pcs / box.

CLEANING AGENT

### Food Grade Oil H1

**Synthetic lubricating oil**

Odourless, tasteless, protective and lubricating oil, developed for food and brewing industry use.

**Applications:** Chains, tracks, conveyors, guides, cables, hinges, locks etc.

No: PIFOOOI52  
Net. 400 ml | 12 pcs / box.

LUBRICANT

### Heavyzink

**Grey, cold galvanizing agent**

Quick drying, well covering zinc coating that gives very good corrosion protection for ferrous metals. Zinc concentration 95 %.

**Applications:** Ferrous metals and metal alloys. Provides rust protection for metal structures, screws and nuts stocks. Ideal for weld seams protection.

No: PIHEAV52  
Net. 400 ml | 12 pcs / box.

PROTECTIVE AGENT

### Cutting Oil

**Cutting oil for metal working processes**

**Applications:** Ideal for drilling, cutting and milling. Applicable for steel, stainless steel and non-ferrous metals.

No: PICUTT52  
Net. 400 ml | 12 pcs / box.

LUBRICANT

### Degreaser Plus

**Very effective cleaning and degreasing agent**

Leaves non greasy, clean and dry surface.

**Applications:** Clutches, brake blocks, engines and machinery. Metal, glass and ceramic surfaces. Applicable for most rubber, plastic and painted surfaces.

No: PIDEGR52  
Net. 400 ml | 12 pcs / box.

CLEANING AGENT

### Food Grade Grease H1

**Synthetic grease for food industry**

Lubricating grease for food and brewing industries, where grease may occasionally get into contact with foodstuff.

**Applications:** Sliding and rolling bearings, joints, joints, chains, strollers, conveyors, lines, etc.

No: PIFOGR52  
Net. 400 ml | 12 pcs / box.

LUBRICANT

### Fresh Spray

**Desi spray shoe deodorant**

Based on advanced silver ion technology. Removes unpleasant smells by killing odour-causing microbes and provides long-term protection.

**Applications:** Work shoes, sneakers, rubber boots, helmets and bags.

No: PIDES22  
Net. 165 ml | 12 pcs / box.

LUBRICANT

### Indufett MoS2

**Special grease for industry**

Special grease for lubricating uncovered gearwheels and other unprotected and weight-loaded machine parts in demanding operating conditions.

**Applications:** Bevel gears, sliding bearings, chains, joints, gears, rollers, sliding surfaces and tracks, axles, drawers, winches, cranes etc.

No: PIINDU52  
Net. 400 ml | 12 pcs / box.

LUBRICANT

## Leak Tester

### Leak detector spray

Indicates leaks in compressed air, liquid and gas systems. Efficient and quick to use.

**Applications:** Piping, tubing, joints, valves, pressure vessels, car tires etc.

No: PILEAK52  
Net. 400 ml | 12 pcs / box.

## Mask Spray

### Cleaner

Cleans masks and visors and leaves antistatic, dust and dirt repellent surface as well as prevents fogging.

**Applications:** Welding and protection masks, face shields, helmet visors, etc.

No: PIMASK22  
Net. 165 ml | 12 pcs / box.

## Teflube H1

### High quality PTFE oil

Well penetrating universal lubricant. Operating temperature -60 °C to +250 °C.

**Applications:** Sliding bearings, chains, wires, locks, hinges, conveyors, contacts, slides, wheels, fittings, valves, controls, guide rails, steel wire, tools, textile sewing machines, etc.

No: PITEFL52  
Net. 400 ml | 12 pcs / box.

No: PITEFL22  
Net. 165 ml | 12 pcs / box.

## Tefsol

### Dry Lubricant

For applications where stainless lubrication is required.

**Applications:** Metal, wood, plastic, leather and textile surfaces. Ideal for sliding surfaces, blades, furniture, textile machinery, plastic molds etc.

No: PITEFS52  
Net. 400 ml | 12 pcs / box.

## Multi Fluid

### Lubricant and protective agent

Thin, effectively penetrating lubricant. Protects against corrosion.

**Applications:** Cars, boats, motorcycles, machines, industrial equipment, arms, households, etc.

No: PIMULT52  
Net. 400 ml | 12 pcs / box.

## Penetrating Oil

### Rust-releasing agent, containing MoS2

Removes and lubricates rusted and seized metal parts.

**Applications:** Bolts, screws, nuts, wires, hinges etc.

No: PIPENE52  
Net. 400 ml | 12 pcs / box.

## Tervaspray

### Genuine wood tar

Effectively protects threads and screw joints from corrosion and seizing.

**Applications:** For vehicles and work machines. Provides excellent protection on wheel nuts, frame constructions, springs, cranes, conveyors and metal structures.

No: PITERV52  
Net. 400 ml | 12 pcs / box.

## Wunder Wipes

### Powerful, abrasive cleaning wipes

No more dirt! Pre-moistened wipes remove grease, oil, fresh paint, silicone, soot, PU foam etc.

**Applications:** Hands, tools and hard surfaces. Ideal for garages and workshops where waterless cleaning is required. Developed for sub-zero temperatures.

No: PWU040  
40 wipes | 6 pcs / box.

No: PWIPW1075  
75 wipes | 6 pcs / box.

## Perfect Cleaner

### An effective glass cleaner

Fully volatile, non-foaming spray. Doesn't leave film or residue on glass.

**Applications:** Glasses, mirrors, windows, tiles. Applicable for varnished, painted and plastic surfaces. Ideal for lightboards, copiers, lenses, glass tables, display screens, etc.

No: PIPERF52  
Net. 400 ml | 12 pcs / box.

## Powerfoam

### Universal Foam Cleaner

Removes the hardest dirt as well as smoke residues and soot on glass, metal, vinyl and lacquered surfaces.

**Applications:** Furniture, mirrors, windows, tiles, fireplaces, sinks, etc.

No: PIPOWE52  
Net. 400 ml | 12 pcs / box.

## RST

### Cleaning and polishing agent

Developed for stainless steel and brass as well as other metallic surfaces. Removes stains, fingerprints and impurities, leaving shiny stain-resistant surface.

**Applications:** Stainless steel coated household appliances, lifts, production equipment, railings etc.

No: PIRST52  
Net. 400 ml | 12 pcs / box.

## Silicon H1

### General lubricant and protective agent

Colourless and odourless lubricant for vast array of applications. Prevents gaskets from freezing and perishing. Operating temperature -40 °C to +300 °C.

**Applications:** Seals, rubber, plastic parts, sliding surfaces, rails, guides, rollers and molds.

No: PISILH52  
Net. 400 ml | 12 pcs / box.

## Silicon Oil

### Colourless lubricant and protective agent

Suitable for applications where a colourless lubricant is required.

**Applications:** Gaskets, sliding surfaces, guides, bearings, rollers, cables, rods, chains, hinges, locks, molds, pumps, kitchen equipment and furniture etc.

No: PISILI52  
Net. 400 ml | 12 pcs / box.

## Stripper

### Gasket residue remover

Effectively removes gasket residues, paint, varnish and adhesives on metal surfaces.

**Applications:** Machines, motors, valves, flanges, cylinders, pumps etc.

No: PISTRIS2  
Net. 400 ml | 12 pcs / box.

# Fast and flexibly

We work completely according to your needs. Whether you order small or large batches, we take care of everything. In addition, our deliveries are known to be fast and accurate.

PRF stock products are delivered within 1-2 business days.

# Electronic line

## Electronic line

A product line that serves professionals in the field of electronic industry

### 101 Cold Spray Green non-flammable

**Non-flammable freeze spray**  
Freezes down to - 55 °C.  
**Applications:** Developed for troubleshooting on electronic components, circuit boards and transistors. Freeze spray can also be used to shrink bearings and other metal parts.

No: PE101G52N  
Net. 300 g | 12 pcs / box.

No: PE101G22  
Net. 150 g | 12 pcs / box.

### 202 Plastic Spray

**Protective lacquer**  
Quick-drying, transparent and flexible lacquer coating. Creates insulating coating for printed circuit boards.  
**Applications:** Electronics maintenance and manufacturing. Suitable also for craftsmanship.

No: PE20222  
Net. 165 ml | 12 pcs / box.

### IPA Fluid (bulk)

**Electronics multi-purpose cleaner**  
Pure isopropanol that removes dirt, oil, grease and resin.  
**Applications:** Printed circuit boards, magnetic heads as well as fine mechanics and optics.

No: PLIPA0045  
Net. 450 ml | 12 pcs / box.

### 2-22 Electrosol

**Antistatic foam cleaner**  
Cleaning spray for electronic devices. Removes static electricity.  
**Applications:** Computers, video game consoles, TV-, video- and office equipment.

CLEANING AGENT

No: PE22222  
Net. 165 ml | 12 pcs / box.

### 301 Silicon Spray

**Colorless cleaning preservative**  
Very high heat resistance - 40 °C to + 315 °C.  
**Applications:** Sealants, gaskets, bushings, rings-, tyres etc.

CLEANING AGENT

PROTECTIVE AGENT

No: PE30122  
Net. 165 ml | 12 pcs / box.

### 4-44 Air Duster Green non-flammable

**Non-flammable dirt and dust remover**  
Convenient cleaning spray for electronic devices.  
**Applications:** Computer equipment, radio, TV and office machines. Suitable also for mobile phones, watches, cameras etc.

CLEANING AGENT

No: PE44G52N  
Net. 300 g | 12 pcs / box.

No: PE44G22  
Net. 150 g | 12 pcs / box.

### 4-44 Air Duster U/D Green non-flammable

**Non-flammable dirt and dust remover**  
Invertible cleaning spray for electronic devices.  
**Applications:** Computer equipment, radio, TV and office machines. Suitable also for mobile phones, watches, cameras etc.

CLEANING AGENT

No: PE44G52U  
Net. 220 g | 12 pcs / box.

### 6-68 Kontakt

**Dry, oil free contact cleaner**  
Non-conductive cleaning spray for contacts and switches.  
**Applications:** Computers, TV- and video equipment and mobile devices. Suitable for non-slip contacts and switches as well.

CLEANING AGENT

No: PE66852  
Net. 400 ml | 12 pcs / box.

No: PE66822  
Net. 165 ml | 12 pcs / box.

### 290 Turbo Oil

**Specially processed mineral oil**  
For demanding lubrication on electronic devices.  
**Applications:** Mechanical parts on printers, copy machines and office devices.

LUBRICANT

No: PE29022  
Net. 165 ml | 12 pcs / box.

### 4-44 Air Duster flammable

**Dirt and dust remover**  
Convenient cleaning spray for electronic devices.  
**Applications:** Computer equipment, radio, TV and office machines. Suitable also for mobile phones, watches, cameras etc.

CLEANING AGENT

No: PE44440  
Net. 300 ml | 12 pcs / box.

No: PE44422  
Net. 165 ml | 12 pcs / box.

### 4-44 Air Duster Green Trigger non-flammable

**Non-flammable dirt and dust remover**  
Cleaning spray with trigger dispenser.  
**Applications:** Computer equipment, radio, TV and office machines. Suitable also for mobile phones, watches, cameras etc.

CLEANING AGENT

No: PE44G52T  
Net. 300 g | 12 pcs / box.

No: PE44G40T  
Net. 250 g | 12 pcs / box.

### 5-99 Multi Spray

**Lubricant and protective agent**  
Excellent lubricant to stop squeaky hinges. Prevents oxidation and rusting. Protects locks and seals from freezing.  
**Applications:** Hinges, chains, weapons, locks etc.

LUBRICANT

PROTECTIVE AGENT

No: PE59952  
Net. 400 ml | 12 pcs / box.

No: PE59922  
Net. 165 ml | 12 pcs / box.

### 7-78 Kontakt

**Lubricating detergent**  
Non-conductive cleaning spray that provides lubrication.  
**Applications:** Sensitive contacts and electromechanical equipment.

LUBRICANT

CLEANING AGENT

No: PE77822  
Net. 165 ml | 12 pcs / box.

## 8-88 Antistatic Spray

### Antistatic cleaning spray

Removes static electricity. Developed specifically for cleaning the outer surfaces of office equipment.

**Applications:** Computers, video game consoles, TV, video and office equipment.

No: PE88822  
Net. 165 ml | 12 pcs / box.

## Air Glass Cleaner

### Easy to use cleaner

An aerosol glass cleaner that is quick and easy to use.

**Applications:** TV screens, displays, mirrors, glass tables, car windows, plastic and painted surfaces.

No: PEAG52  
Net. 400 ml | 12 pcs / box.

## Booster

### Effective, foamy multi-purpose cleaner

Convenient cleaning foam for various surfaces.

**Applications:** Cookers and kitchen equipment, tiles, doors, mirrors, vinyl, textile, etc.

No: PEBOOS52  
Net. 400 ml | 12 pcs / box.

## Ipa Kontakt

### Multi-purpose cleaner for electronics

A pure isopropanol that removes dirt, oil, grease and resin. Brush option.

**Applications:** Printed circuit boards, magnetic heads as well as parts of fine mechanics and optics.

No: PEIPA22  
Net. 165 ml | 12 pcs / box.

## Label Off

### Effective sticker remover

Lemon scented cleaning spray removes glue and adhesive residues.

**Applications:** Stickers, labels, adhesive residues. Removes oil based stains from most painted surfaces.

No: PELAB22  
Net. 165 ml | 12 pcs / box.

## Touchscreen Spray

### Disinfectant cleaning spray

Disinfectant and antistatic cleaning spray for touchscreens.

**Applications:** Mobile phones, tablets, car displays, monitors etc.

No: PETOU15  
Net. 150 ml | 12 pcs / box.

## Touchscreen Box

### Cleaning spray and cloth

Disinfectant cleaning spray with microfiber cloth.

**Applications:** Mobile phones, tablets, car displays, monitors etc.

No: PETOUBO15  
Net. 150 ml | 24 pcs / box.

## SCREENwipes

### Cleaning wipes

Antistatic wipes for all screens. Available in a convenient 100 piece packaging.

**Applications:** Displays, monitors, tablets and phones.

No: PWIPSC100  
100 wipes | 6 pcs / box.

## Smoke Alarm Tester

### Smoke alarm tester

A convenient and safe way to test smoke alarm function.

**Applications:** Optic and ionization smoke alarms.

No: PESMO22  
Net. 165 ml | 12 pcs / box.

## TCC Contact Cleaner

### Special cleaner

Quickly volatile and dry cleaning spray for electronics.

**Applications:** Precision electronics components, contacts and electronic equipment.

No: PETCC52  
Net. 400 ml | 12 pcs / box.

# Liquid line

Liquid detergents for professional use

## BIOsol

### Alkaline detergent

Easily dissolves oils, fats, road salt as well as removes the pitch.

**Applications:** Cars, caravans, boats, work machines etc. Replaces solvents and microemulsions in most applications.

No: PLBIOS05  
Size 5 l

No: PLBIOS10  
Size 10 l

No: PLBIOS25  
Size 25 l

No: PLBIOS200  
Size 200 l

## GREENgel

### Effective hand cleanser

Does not include solvents, alkalis or silicone. Developed to remove different dirt such as oil and fat. Includes micro grains that increase the cleaning efficiency.

**Applications:** Convenient for workshops, restrooms, locker rooms, canteens, farms etc.

No: PLHAND3L  
3 l | 6 pcs / box.

## Smoke Alarm Tester

### Smoke alarm tester

A convenient and safe way to test smoke alarm function.

**Applications:** Optic and ionization smoke alarms.

No: PESMO22  
Net. 165 ml | 12 pcs / box.

## TCC Contact Cleaner

### Special cleaner

Quickly volatile and dry cleaning spray for electronics.

**Applications:** Precision electronics components, contacts and electronic equipment.

No: PETCC52  
Net. 400 ml | 12 pcs / box.

## Degreaser

### Effective cleaning agent

Evaporates quickly. Leaves non greasy, clean and completely dry surface. Removes oil, grease, brake fluid and stubborn dirt.

**Applications:** Switches, brake parts, engines etc. Ideal for metal and glass surfaces.

No: PLDEGR01  
Size 10 l

No: PLDEGR02  
Size 25 l

No: PLDEGR20  
Size 200 l

## 202 Protective Lacquer

### Protective lacquer

Creates bright and flexible coating which can be soldered through after the layer has dried.

**Applications:** Electronics maintenance and manufacturing. Protects circuit boards, electric motors, transformers, drawings, etc.

No: PL20201  
Size 10 l

*Hygienic line*

## Hygienic line

PRF disinfectants provide protection against the invisible enemies

### Hand sanitizer spray

#### A compact pump-action spray for sanitising hands

Effective against bacteria and enveloped viruses. Alcohol content of 70%. The product's active ingredients are tested in accordance with the following standards: EN 1276 and EN 1650.

No: PIKAS08 (Pump)

Net. 70 ml | 24 pcs / box.

No: PIKAS22 (Pump)

Net. 170 ml | 12 pcs / box.

No: PIKAS22S (Spray)

Net. 170 ml | 12 pcs / box.

### DESIwipes Alcohol-free

#### Disinfectant wipes for sensitive surfaces

The product's active ingredients are tested in accordance with the following standards: EN 1276, EN 1650, EN 13697, EN 13727, EN 14561, EN 13624, EN13697, EN 14562 and EN 14476.

No: PWIDE100N

100 wipes | 12 pcs / box.

### DESI spray

#### Surface sanitizer spray

An alcoholic disinfectant spray for cleaning surfaces. The spray makes it easy to treat large surfaces or objects that require liquid disinfectant for a thorough clean. Alcohol content of 70%. The product's active ingredients are tested in accordance with the following standards: EN 1276 and EN 1650.

No: PIDESI22

Net. 170 ml | 12 pcs / box.

No: PIDESI52

Net. 400 ml | 12 pcs / box.

### DESIwipes Flow Pack

#### Alcohol-free and fragrance-free disinfectant wipes

Kills 99,99% of viruses, bacteria and fungi. The product's active ingredients are tested in accordance with the following standards: EN 1276, EN 1650, EN 13610, EN 13697, EN 14476 and EN 16615.

Wipe material: Non-woven.

No: PWIDE40NK

40 wipes | 24 pcs / box.

### DESIwipes

#### Ethanol-based wipes for disinfecting hard surfaces

Alcohol content of over 70% guarantees an effective result against bacteria and enveloped viruses. The product's active ingredients are tested in accordance with the following standards: EN 1276 and EN 1650.

No: PWIDE100A

100 wipes | 12 pcs / box.

### DESIwipes Single Wrap

#### An individually packaged disinfectant wipe

Biodegradable wipe is perfect for sanitising your hands whenever the need arises.

The product's active ingredients are tested in accordance with the following standards: EN 1276 and EN 1650.

No: PWIDE012A

12 wipes | 36 pcs / box.

### HANDwipes

#### Fragrance-free wipes designed especially for sanitising the hands.

Effective against bacteria and enveloped viruses.

The product's active ingredients are tested in accordance with the following standards: EN 1276 and EN 1650.

No: PWIHA100A

100 wipes | 12 pcs / box.

LARGE PACKAGING · BIODEGRADABLE

### DESIwipes BIO Non-alc.

#### Alcohol-free disinfectant wipe for wiping down hard surfaces

Effective against viruses, bacteria, and fungi.

The product's active ingredients are tested in accordance with the following standards: EN 1276, EN 1650, EN 13610, EN 13697, EN 14476 and EN 16615.

No: PWIDE1500NP

1500 wipes | 4 pcs / box.

### DESIwipes BIO

#### Alcohol-based disinfectant wipe for wiping down hard surfaces

Effective against viruses, bacteria, and fungi. Alcohol content of 70%.

The product's active ingredients are tested in accordance with the following standards: EN 1276, EN 1650, EN 13610, EN 13697, EN 14476 and EN 16615.

No: PWIDE1500AP

1500 wipes | 4 pcs / box.

### HANDwipes BIO Non-alc.

#### Alcohol-free disinfectant wipe for hands and hard surfaces

Effective against viruses, bacteria, and fungi.

The product's active substances are tested in accordance with standards EN 1276, EN 1650, and the EPA method.

No: PWIHA1500NP

1500 wipes | 4 pcs / box.

### HANDwipes BIO

#### Alcohol-based disinfectant wipe for hands and hard surfaces

Effective against viruses, bacteria, and fungi. Alcohol content of 70%.

The product's active substances are tested in accordance with standards EN 1276, EN 1650, and the EPA method.

No: PWIHA1500AP

1500 wipes | 4 pcs / box.

LARGE PACKAGING · NON-WOVEN FABRIC

### DESIwipes Textile Non-alc.

#### Alcohol-free disinfectant wipe for wiping down hard surfaces

Effective against viruses, bacteria, and fungi. Wipes are made from non-woven fabric.

The product's active ingredients are tested in accordance with the following standards: EN 1276, EN 1650, EN 13610, EN 13697, EN 14476 and EN 16615.

No: PWIDE1200NK

1200 wipes | 4 pcs / box.

### DESIwipes textile

#### Alcohol-based disinfectant wipe for wiping down hard surfaces

Effective against viruses, bacteria, and fungi. Wipes are made from non-woven fabric.

The product's active ingredients are tested in accordance with the following standards: EN 1276, EN 1650, EN 13610, EN 13697, EN 14476 and EN 16615.

No: PWIDE1200AK

1200 wipes | 4 pcs / box.

### HANDwipes Textile Non-alc.

#### Alcohol-free disinfectant wipe for hands and hard surfaces

Effective against viruses, bacteria, and fungi. Wipes are made from non-woven fabric.

The product's active substances are tested in accordance with standards EN 1276, EN 1650, and the EPA method.

No: PWIHA1200NK

### HANDwipes textile

#### Alcohol-based disinfectant wipe for hands and hard surfaces

Effective against viruses, bacteria, and fungi. Wipes are made from non-woven fabric.

The product's active substances are tested in accordance with standards EN 1276, EN 1650, and the EPA method.

No: PWIHA1200AK

1200 wipes | 4 pcs / box.

## PRF DESIstation

### Eye-catching and easy-to-use wipe dispenser with a built-in waste disposal container

DesiStation is compatible with PRF's large packages. It can be placed in a wide range of places where you want to improve hygiene.

Applications: Grocery stores, shopping centres, gyms, construction sites, dining areas, etc.

The dispenser can be customised with individual images and colour schemes.

Watch demo video and get to know the product by reading the QR code.

## PRF Store display

### Eye-catching display solution

PRF store display is available for all wipe packages. The display allows to maximise the product's in-store visibility and availability.

### SEINÄTELINEET

#### PRF Wall mount 100

A painted, aluminium-frame wall mount for 100-wipe packages

No: DISPLAY100W

Applications: Grocery stores, gyms, construction sites, dining areas, etc.

#### PRF Wall mount 1200/1500

A wall mount for PRF's large packages

No: DISPLAY1500W

The package can be locked to the mount. The mount has a painted aluminium frame which can be customised with an individual message.

Applications: Grocery stores, gyms, construction sites, dining areas, etc.
