PRF - Undefeated Quality from Finland

Taerosol

taerosol.com

Ozone-safe aerosols manufactured in Finland since 1968

Taerosol's product family offers a wide range of products for industry, electronics and technology. The products combine very high quality, safety and environmental friendliness. The product family includes nearly a hundred products for different user needs. In addition, we are continuously developing new products in cooperation with our customers.

All cans are tested in a 50°C degree water bath according to the directives.

PRF is Taerosol's own brand and professional users regard it as a leading brand among technical aerosols. PRF products meet the requirements and demands of ISO-9001 (quality) and ISO-14001 (environmental), which ensure reliable, transparent and traceable operations from the beginning to the end. Taerosol also has ISO 22716 (Cosmetic GMP) certificate. With the 50 years of experience in business the content and manufacturing of the PRF products, as well as the R&D have become very high class. This can be seen in the high quality, functionality and reliability of the products and also in short lead-times. We value customer satisfaction and quality over everything.

Production is highly automated.

All PRF aerosol products have been granted the official Finnish certificate "Key Flag" for being made in Finland. In addition to our own staff, we employ many domestic operators from the label vendor to truck drivers. According to studies, the domesticity of products and services is important to Finns and we are proud to be involved in maintaining industry in Finland.

1968
Taerosol is founded

1992
Export begins

2008
Quality- and environmental certificates, the only ones on the industry in Finland

1970
PRF is launched

2000
Industrial series is launched

2017
GMP-certificate, only one other company with Taerosol in the Nordic countries

Industrial line

A product line developed for different industries and maintenance needs

Anti Spatter

Welding spray

Prevents welding spatter from sticking to work piece and welding nozzle.

Applications: Welding nozzles, workpieces, metal surfaces, etc.

No: PIANI52
Gr. 520 ml | 12 pcs / box.

PROTECTIVE AGENT

Belt spray

Friction Spray

Effective anti-slip agent for V-belts and other slippery belts and surfaces.

Applications: Rubber straps, Leather belts, textile belts, etc.

No: PIBELT52
Gr. 520 ml | 12 pcs / box.

Cleaner H1

Food grade accepted cleaning- and degreasing agent

Applications: Switchgears, machines, equipment, motors, metal, glass and ceramic surfaces, etc.

No: PICLEH152
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

Cutting oil

Efficient and economical cutting oil

Applications: Suitable also for stainless steel and non-ferrous metals.

No: PICUTT52
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Alubright

Light bright galvanizing agent

Quick drying aluminum color zinc coating that gives an excellent corrosion protection to ferrous metals.

Applications: Ferrous metals and rust protection of metal structures, screws and nuts stocks, metal alloys and protection of weld seams.

No: PIALUB52
Gr. 520 ml | 12 pcs / box.

PROTECTIVE AGENT

Bajol

Adhesive vaseline spray

Synthetic lubricant with excellent adhesive ability for demanding lubrication.

Applications: Chains, hinges, joints, wires, gears, bearings, slide rails, locks, vibration dampers items etc.

No: PIBAJOL52
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Butangas

Refill cylinder for soldering equipment and gas pistols

Applications: Gas pistols, thermal and soldering pens, blades, lighters.

No: PIBUTA40
Gr. 405 ml | 12 pcs / box.

Cover wax

Waxy, protective agent

Flexible, moisture displacing protection wax against corrosion.

Applications: Industrial machinery and metal structures, in agriculture spindles and machine tools. Vehicles, forklifts, battery poles, electrical connectors, etc.

No: PICOVW52
Gr. 520 ml | 12 pcs / box.

PROTECTIVE AGENT

Degreaser

Cleaning and degreasing agent

Effective, fast evaporating cleaning agent that leaves a greaseless, clean, dry surface.

Applications: Clutches and brake blocks. Metal, glass and ceramic surfaces. Most of the rubber, plastic and painted surfaces. Machinery, equipment, engines and others.

No: PIDEGR52
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

Degreaser Plus

Very effective cleaning and degreasing agent

Leaves non greasy, clean and dry surface.

Applications: Clutches, brake parts, machinery, equipment, engines, metal, glass and ceramic surfaces as well as most rubber, plastic and painted surfaces.

No: PIDEGP52
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

Easy Care

Textile and leather protector

Makes textiles and skins water-proof and protects against dirt.

Applications: Footwear, clothing and other outdoor use textiles and backpacks, tents, car seats, etc.

No: PIEASY405
Gr. 405 ml | 12 pcs / box.

PROTECTIVE AGENT

Food Grade Grease H1

Synthetic grease for food industry

Developed for grease lubrication in food and brewing industries, where grease may occasionally get into contact with foodstuff.

Applications: Sliding and rolling bearings, joints, joints, chains, strollers, conveyors, lines, etc.

No: PIF00GR52
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Hand care

Hand Protection Foam

Used for skin protection from various chemicals, oil, grease, printing inks, paint, nails and so on.

Applications: Industry, repair shops, printers, etc.

No: PIHAND40
Gr. 405 ml | 12 pcs / box.

PROTECTIVE AGENT

Indufett MoS2

Special grease for industry

Special grease for lubricating uncovered gearwheels and other unprotected and weight-loaded machine parts in difficult operating conditions.

Applications: Bevel gears, gliding bearings, chains, joints, gears, rollers, sliding surfaces and tracks, axles, drawers, winches, cranes etc.

No: PIINDU52
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Desi Spray

Desi spray shoe deodorant

Based on advanced silver ion technology. Removes unpleasant smells by killing odor-causing microbes and provides long-term protection.

Applications: Work shoes, sneakers, rubber boots, bags and sports bags

No: PIDES22
Gr. 220 ml | 12 pcs / box.

Fast Cleaner

Effective cleaning agent

Leaves a greaseless, clean, dry surface. Cleans the oil, grease, brake fluid and other dirt eg. before painting or gluing. Also for removing protective grease.

Applications: Switches and brake parts. Metal, glass surfaces. Machinery, equipment and others.

No: PIFAST65
Gr. 650 ml | 12 pcs / box.

CLEANING AGENT

Food Grade Oil H1

Synthetic lubricating oil

Odorless, tasteless, protective and lubricating oil, developed for food and brewing industry use.

Applications: Chains, tracks, conveyors, guides, cables, hinges, locks etc.

No: PIF00O152
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Heavyzink

Grey, cold galvanizing agent

Quick drying, gray, well covering zinc coating that gives very good corrosion protection for ferrous metals.

Applications: Ferrous metals and rust protection of metal structures, screws and nuts stocks, metal alloys and protection of weld seams.

No: PIHEAV52
Gr. 520 ml | 12 pcs / box.

PROTECTIVE AGENT

Install HD MoS2

Mounting lubricant

Excellent lubricant when assembling machines and equipment.

Applications: Pins, bolts and longitudinal attachments. Sliding bearings etc.

No: PIINST52
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Leak tester

The leak detector

Indicates quickly and efficiently compressed air, liquid and gas systems leaks.

Applications: Piping, tubing, joints, valves, pressure vessels, car tires etc.

No: **PILEAK40**
Gr. 405 ml | 12 pcs / box.

Maskspray

Cleaner

Cleans masks and visors and leaves antistatic, dust and dirt repellent surface as well as prevents fogging.

Applications: Welding and protection masks, hockey and security helmets visors, etc.

No: **PIMASK22**
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

Multi fluid

Lubricant and protective agent

Thin, effectively penetrating general protection and lubricant against corrosion.

Applications: Cars, machines, industrial equipment, households, boats, motorcycles, real estates, arms, etc.

No: **PIMULT52**
Gr. 520 ml | 12 pcs / box.

PROTECTIVE AGENT

LUBRICANT

Penetrating oil

Rust-releasing agent, Containing MoS2

Removes and lubricates rusted and jammed metal parts.

Applications: Bolts, screws, nuts, wires, hinges etc.

No: **PIPEN52**
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Perfect cleaner

An effective glass cleaner

Fully volatile, non-foaming, doesn't leave film.

Applications: Glasses, mirrors, windows, tiles. Varnished, painted, plastic, etc. hard surfaces. Lightboards, copiers, lenses, glass tables, display screens, etc.

No: **PIPERF52**
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

Powerfoam

Universal Foam Cleaner

Removes the hardest dirt and dust as well as smoke-induced coating on glass, metal and vinyl and lacquered surfaces

Applications: Sofas, work chairs, fireplaces, mirrors, windows, tiles, sinks, condensers, etc.

No: **PIPOWE52**
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

RST

Cleaning and polishing agent

Easy to use. For brass as well as other hard surfaces. Removes stains, fingerprints etc. impurities, leaving shiny stain-resistant surface.

Applications: Stainless steel coated household appliances, lifts, production equipment, railings, as well as other stainless metals.

No: **PIRST52**
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

Silicon H1

General lubricant and protective agent

Colorless, H1-approved. Suitable for food industry, where colorless and odorless lubricant is required. Prevents gaskets from freezing and perishing. Operating temperature -40 ° C to + 300 ° C.

Applications: seals, rubber, plastic and sliding surfaces, rails, guides, rollers, molds.

No: **PISILH152**
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Silicon oil

Colorless lubricant and protective agent

Suitable for applications where a colorless lubricant is required.

Applications: Gaskets, sliding surfaces, guides, bearings, rollers, cables, rods, chains, hinges, locks, molds, pumps, ovens, grills, refrigeration equipment, kitchen furniture etc.

No: **PISILI52**
Gr. 520 ml | 12 pcs / box.

LUBRICANT

PROTECTIVE AGENT

Stripper

Gasket residue remover

Effectively removes gasket residues, paints, varnishes and adhesives on metal surfaces.

Applications: Machines, motors, valves, flanges, cylinders, pumps etc.

No: **PISTRI52**
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

Teflube H1

High quality PTFE oil

Well penetrating universal lubricant.

Applications: Sliding bearings, chains, wires, locks, hinges, conveyors, contacts, slides, wheels, fittings, valves, controls, guide rails, steel wire, roller skates, tools, textile sewing machines, computer equipment, copiers, etc.

No: **PITEFL52**
Gr. 520ml | 12 pcs / box.

No: **PITEFL22**
Gr. 220 ml | 12 pcs / box.

No: **PITEFL08**
Gr. 85ml | 24 pcs / box.

LUBRICANT

Tefsol

Dry Lubricant

For items where stainless lubrication is needed

Applications: Metal, wood, plastic, leather and textile surfaces. Sliding surfaces, blades, furniture, textile machinery, plastic molds, Belt conveyors, slide rails, mowers etc.

No: **PITEFSS2**
Gr. 520 ml | 12 pcs / box.

LUBRICANT

Tar Spray

Genuine woodtar

Effectively protects threads and screw joints from corrosion and seizing.

Applications: For vehicles as well as on platforms of work machines and wheel nuts, chassis constructions, springs, cranes, conveyors, various metal structures, etc.

No: **PITERV52**
Gr. 520 ml | 12 pcs / box.

PROTECTIVE AGENT

WUNDER WIPES

Powerful, two-sided cleaning cloth

No more dirt! - Also sub-zero temperatures.

Applications: Hands, tools and different surfaces in the car, at home, versa and cottage and other places in works where there is no water available.

No: **PWU040**
Gr. 40 kpl | 6 pcs / box.

No: **PWIPW1075**
Gr. 75 kpl | 6 pcs / box.

CLEANING AGENT

First 1 - Anointing power!

Multifunctional oil containing PTFE has been primarily the exclusive property of industry and maintenance professionals. The new First1 spray oil is based on PRF Teflube oil, which has now been applied for consumer use with its composition, in packaging and as well in price. First1 is a pleasant fragrant product made in Finland for general lubrication, both for work and for hobbies.

NOW ALSO
THE FIRE FIGHTER

Electronic line

Product line that serves the needs
of electronics

IPA Fluid (bulk)

Electronics multi-purpose cleaner

Pure isopropanol that removes dirt, oil, grease and resin.

Applications: Printed circuit boards, magnetic heads as well as fine mechanics and optics.

No: PLIPA0045
Net. 450 ml | 12 pcs / box.

CLEANING AGENT

4-44 Air Duster U/D Green Non-flammable

No: PE44G52U
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

4-48 Video kontakt

Special cleaner for image and sound heads

It does not lead electricity or cause surface leakage.

Applications: Image and Sound Heads

No: PE44822
Gr. 220ml | 12 pcs / box.

CLEANING AGENT

101 Cold spray Green non-flammable

Applications: Electronics components, bearings, thermostats

No: PE101G52N
Gr. 520 ml | 12 pcs / box.

No: PE101G22
Gr. 220 | 12 pcs / box.

2-22 Electrosol

Antistatic foam cleaner

Applications: cleaning computers, TV-, Video- and office machines and other surfaces

No: PE22222
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

202 Plastic spray

Protective lacquer

Fast-drying.

Applications: Electronics maintenance and manufacturing, suitable also for craftsmanship.

No: PE20222
Gr. 220 ml | 12 pcs / box.

PROTECTIVE AGENT

5-99 Multi spray

Lubricant and protective agent

Removes squeaks. Prevents oxidation and rusting as well prevents locks and seals from freezing.

Applications: Hinges, chains, weapons, locks

No: PE59922
Gr. 520 ml | 12 pcs / box.

No: PE59952
Gr. 220 ml | 12 pcs / box.

ALSO IN BULK

LUBRICANT

PROTECTIVE AGENT

6-68 Kontakt

Dry, oil free contact cleaner

Non-conductive.

Applications: Computer, TV, Video, office and telephone machines as well as non-slip contacts and switches.

No: PE66852
Gr. 520 ml | 12 pcs / box.

No: PE66822
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

301 Silicon spray

Colorless cleaning preservative

Very high heat resistance - 40 ° C to + 315 ° C.

Applications: Sealants, gaskets, bushings, rings-, tyres etc.

No: PE30122
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

PROTECTIVE AGENT

4-44 Air duster Flammable

Removes loose dirt and dust

Applications: Computer equipment, printers, radio, TV, video, copy-, sorting- and office machines, clocks/watches, cameras, films, sewing machines, etc. cleaning of electronic devices.

No: PE4452
Gr. 520 ml | 12 pcs / box.

No: PE4422
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

Air Glass Cleaner

Easy to use cleaner

Applications: TV screens, display mirrors, mirrors, glass tables, car windows, plastic and painted surfaces.

No: PEAG52
Gr. 520 ml | 12 pcs / box.

No: PEAG22
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

Booster

Effective, foamy multi-purpose cleaner

For cleaning various surfaces.

Applications: Cookers, tiles, cabinets, doors, glasses, mirrors, computer equipment, trims, etc.

No: PEB00S52
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

4-44 Air Duster Green Non-flammable

Removal of loose dirt and dust

Applications: Computer equipment, printers, radio, TV, video, copy-, sorting- and office machines, clocks/watches, cameras, film, sewing machines, etc. cleaning of electronic devices

No: PE44G52N
Gr. 520 ml | 12 pcs / box.

No: PE44G22
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

4-44 Air Duster Green Trigger Non-flammable

Removal of loose dirt and dust

Applications: Computer equipment, printers, radio-, TV-, video-, copy-, money sorting- and office machines, clocks/watches, cameras, films, sewing machines, etc. cleaning of electronic devices.

No: PE44G52T
Gr. 520 ml | 12 pcs / box.

No: PE44G40T
Gr. 405ml | 12 pcs / box.

CLEANING AGENT

Ipa Kontakt

Multi-purpose cleaner for electronics

A pure isopropanol that removes dirt, oil, grease and resin. Brush option.

Applications: Printed circuit boards, magnetic heads as well as parts of fine mechanics and optics.

No: PEIPA22
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

Label off

Effective sticker remover
Easy to use and lemon-flavored.

Applications: Stickers, labels, adhesive residues, oil-grease, stain removal from most painted surfaces.

No: PELAB22
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

Laptop BOX

Antistatic detergent
and a high-quality microfiber cloth
For all flat screens.

Applications: TFT, LCD, and plasma screens.

No: PELAPBOX
Gr. 85ml | 24 pcs / box.

CLEANING AGENT

Smoke Alarm Tester

Fire alarm tester
A convenient and safe way to test fire alarm function

Applications: Fire alarms

No: PESM022
Gr. 220 ml | 12 pcs / box.

CLEANING AGENT

Lap Top

Cleaner
Antistatic for flat screens.

Applications: TFT, LCD, and plasma screens.

No: PELAPT08
Gr. 85 ml | 24 pcs / box.

CLEANING AGENT

SCREENwipes

Cleaning wipes
Antistatic and disinfectant.
Available in a convenient 100 piece packaging.

Applications: Displays, tablets and phones.

No: PWIPSC100
Gr. 100 kpl | 6 pcs / box.

CLEANING AGENT

TCC contact cleaner

Special cleaner
Quickly volatile and dry.

Applications: Precision electronics components, contacts and equipment

No: PETCC52
Gr. 520 ml | 12 pcs / box.

CLEANING AGENT

PRF Liquid line

BIOsol

Alkaline detergent
Easily dissolves oils, fats, road salt as well as removes the pitch.

Applications: Cars, caravans, boats, etc. Different industrial spaces surfaces and transport and earth moving equipment laundering. Replaces solvents and microemulsions in most applications.

No: PLBIOS05
Gr. 5l, 10l, 25l, 200l

CLEANING AGENT

Degreaser

Effective cleaning agent
Evaporates quickly, leaves non greasy, clean, dry surface. Cleans oil or grease, brake fluid and other dirt, including paint or gluing. Also for removing of protective grease.

Applications: Switches and brake parts. Metal and glass surfaces. Machinery and equipment.

No: PLDEGR01
Gr. 10l, 25l, 200l

CLEANING AGENT

GREENgel

Effective hand cleanser
Does not include solvents, or alkalies silicone. Developed to remove different dirt such as oil and fat. Includes micro grains that increase the cleaning efficiency.

Applications: Workshops, metal workshops and farms.

No: PLHAND3L
Gr. 3l

CLEANING AGENT

HEAVYsol

Strongly alkaline detergent
Dissolves and removes quickly a variety of dirt, eg oil, fat, soot. Wash and dilute can also be performed with sea water.

Applications: Heavy vehicles, earthmoving etc., machinery, presses, industrial hall floors, food industry facilities.

No: PLHEAV005
Gr. 5l, 10l, 25l, 200l

CLEANING AGENT

202 Protective Lacquer

Protective lacquer
Forms bright, flexible film through which it can be soldered.

Applications: Electronics maintenance and manufacturing. Protects circuit boards, electric motors, transformers, drawings, etc.

No: PLIPA0045
Gr. 10l

PROTECTIVE AGENT

CAREVI

Superior power for car care since 1966!

carevi.fi

This is how a taxi driver told his client in traffic lights when the customer braved the secret of the bright glasses. "With Car Evi, these have been treated, and even more fresh smell - this is the overwhelming power of the vehicle since -66 '.

Value for our customers and partners. You are witnessing the new arrival of Finnish vehicle care. Now that's what I get in a lot of places, namely Car Evi vehicle care products. On the Products page you will find these overwhelming products conveniently located and the people in the contacts can find the people behind them.

Please feel free to contact us to get products on your store shelves.
