

PUHTAASTI PAREMPI.

Clearly better.

AIR DUSTER

PRF 4-44

Painepuhallin pölyn ja irtolian poiston atk- ja konttorikoneista, rahalajittelukoneista sekä kameroista.

Tryckluftspray för renblåsning av damm och smuts från data- och kontorsmaskiner, mynt- och sedelräknare samt kameralinser.

AIR DUSTER

Powerful blower to remove dust and loose dirt. An effective and powerful blower to dislodge and remove damaging dust and loose dirt from wherever it may lurk, from the most awkward crevices and hard-to-reach places. Compressed air canister to clean electronic equipment, such as computers, keyboards, printers, radio- and TV-sets. VCRs, copiers, banknote counting machines, office equipment, clocks and watches, cameras, films, sewing machines, etc. Works with simple finger-press action.
